Application Serial No. 10/648,944  
Amendment dated December 26, 2006  
Reply to Office Action mailed September 26, 2006

**Amendment to the Claims:**

This listing of claims will replace all prior versions, and listing, of claims in the application.

**Listing of Claims:**

**Claims**

1. (currently amended) An automatic keypad lockout system, comprising:  
  
a portable communication device having a keypad;  
  
an accessory for receiving the portable communication device; and  
  
a means for detecting insertion and removal of the portable communication device into and out of the accessory so as to enable and disable the keypad;  
  
a unique ID stored in the accessory, the unique ID associated with a predetermined user configuration, the portable communication device reading the unique ID from the accessory and assuming the predetermined configuration associated with that ID;  
  
a plurality of reed switches embedded in the device; and  
  
an array of magnets embedded in the accessory for aligning and mating with at least one of the plurality of reed switches forming a predefined pattern corresponding to the unique ID.

2.-25. CANCEL
